

“Youth is the heart of who we are”

To: All CYO Parishes
From: The Office of Youth Ministry

For the sports year 2010-2011 all coach training classes are scheduled before the season starts. In fact, we finish all but Track classes one week after practice starts for the season.

We believe that coach training is essential for an adult to complete before beginning to work with children. Teams should be organized by the parish prior to the first day practice is allowed. The time a team has to practice before the season starts is very important to prepare children for competition. This will require parishes to recruit coaches earlier because once the last coach training class is finished, no team can be added unless all of its coaches are already trained. This plan is in place for the good of the children.

Please make note of this change. We will not add any coach training classes after the ones listed on the Coach Training Schedule. If a team does not have certified coaches because they were not trained in time, the team will not be allowed to compete. Please also note that we will be holding Coach Training on Saturday mornings this year as an experiment to see if that time is more convenient for coach's working schedules.
